

Legal Risk Management

برنامج إدارة المخاطر القانونية

A comprehensive programme in legal risk management. Learn to analyse risks, build mitigation strategies and strengthen compliance in a complex business environment.

training hours

24

Delivery

In-person / Live online

Fees

650 USD

Programme code

LRM

Who should attend

- Legal counsel and heads of legal departments
- Compliance, risk management and internal audit officers
- Contracts and Procurement Managers
- Executive leaders responsible for decisions with legal implications

Entry requirements

- Work in legal advisory, compliance, risk management, internal audit or contracts and procurement, or a leadership role that takes decisions with legal impact
- No prior risk management experience is required; the programme starts from the fundamentals of legal risk and its types
- Ability to work with material in English and Arabic

What you will learn

- Identifying and classifying legal risks and estimating their likelihood and impact
- Building a legal risk register and response plans for each risk
- Contractual risk management from negotiation to execution
- Reducing the risk of disputes and litigation through prevention and early settlement
- Link legal risk management to governance and compliance within the organisation

What the fee includes

- 24 training hours in evening lectures with Dr Dina Al-Amoush
- Training materials in English and Arabic covering 5 key areas of risk management
- Interactive workshops and practical templates for building a Risk Register and a Risk Matrix
- Accredited certificate of completion from Metropolis Training Institute
- Training supplies

- For online training: access to the Metropolis learning platform and recorded lectures for review

Assessment and certificate

- **Assessment method:** Participants are assessed through attendance and participation in the interactive workshops and case studies: gap analysis of international contracts, managing a compliance crisis, and building a risk register and legal risk matrix with a report to senior management.
- **Certificate:** Accredited certificate of completion from Metropolis Training Institute (24 training hours), issued digitally with the option of requesting a printed copy.

Course outline

Legal Risk Management Fundamentals

- Definition of legal risk and its dimensions.
- Sources of risk: internal and external.
- The role of the legal department in the enterprise risk management framework.

Governance and Compliance

- Corporate governance frameworks and risk mitigation.
- Designing compliance and internal audit policies.
- Corruption risks and anti-money laundering.

Contractual Risk Management

- Risks at the negotiation and drafting stage.
- Limitation of liability, indemnity and force majeure clauses.
- Managing changes and claims during execution.

Dispute and Litigation Risks

- Managing case files and investigations.
- Alternative Dispute Resolution (ADR) methods.
- Protecting reputation during legal crises.

Strategies and Tools

- Designing and building the legal risk matrix.
- Key performance indicators (KPIs) for the legal department.
- Information technology in legal risk management.
