

Corporate & Business Lawyer

برنامج محامي الشركات والأعمال

A comprehensive programme in company law, governance, mergers and acquisitions, and insolvency. Learn incorporation, structuring, legal risk management and company liquidation.

training hours

40

Delivery

In-person / Live online

Fees

950 USD

Programme code

PCBL

Who should attend

- Lawyers and legal counsel in companies and law firms
- Board secretaries and compliance officers
- Accountants and financial advisers involved in corporate structuring
- Entrepreneurs and family business managers

Entry requirements

- A legal, financial or managerial background: lawyers and advisers, board secretaries, accountants, or entrepreneurs and company managers
- No prior company law experience is required; the programme covers the company life cycle from incorporation to liquidation

What you will learn

- Choosing the optimal legal form for the company and completing incorporation and registration
- Applying corporate governance rules, forming board committees and managing general assemblies
- Managing M&A transactions and amending company details
- Company liquidation and deregistration procedures and handling insolvency
- Analysing the company's legal risks and advising executive management

What the fee includes

- 40 training hours in evening lectures, two to three days a week
- Course content and training materials for the five modules
- Workshops, case studies and simulations of M&A transactions and liquidation and insolvency proceedings

- Fluency in Arabic with familiarity with English business terms such as M&A and governance
- Accredited certificate of completion from Metropolis Training Institute
- For online training: access to the Metropolis learning platform and recorded lectures for review

Assessment and certificate

- **Assessment method:** Participants are assessed through attendance and participation in the workshops and practical exercises: company registration procedures, forming governance and audit committees, an insolvency case study, and a simulation of the steps in a merger or acquisition.
- **Certificate:** Accredited certificate of completion from Metropolis Training Institute (40 training hours)

Course outline

Types of Companies and Their Legal Forms

- Limited liability companies and general partnerships.
- Public joint stock companies and venture capital.
- Exempt companies and foreign companies.
- Company registration and obtaining approvals.
- The difference between commercial and civil acts and its legal significance.

Corporate Governance

- The legislative and regulatory framework for governance.
- The role and responsibilities of the board and its committees (audit, remuneration, risk).
- Shareholder rights, disclosure and transparency.

Amending company particulars, mergers and acquisitions

- Procedures for amending the memorandum and articles of association.
- Sale of shares and change of management.
- Types of merger (by absorption, by amalgamation) and their procedures.
- Types of acquisition (share purchase, asset purchase) and their requirements.

Company liquidation and deregistration

- Voluntary and compulsory liquidation (procedures and effects).
- Duties of the liquidator and settling the rights of creditors and partners.
- Procedures for deregistering and finally dissolving a company.

Risk Management and Insolvency

- Identifying and assessing legal risks (internal and external).
- Insolvency proceedings, their conditions and procedures (reorganisation, liquidation).

- Strategies for mitigating risk and protecting the company.
